

Getting to the track in Little Marlow

There is parking onsite but the event is taking place as part of the Wycombe Phoenix AC Club Championships and Invitational and parking may be limited. Please note that **parking is strictly prohibited on the main Marlow Road and on the access road (Westhorpe Farm Lane) which is in constant use by farmers and residents.**

The official address of the venue is:

Wycombe District Athletics Complex,
Marlow Road,
Little Marlow.

The track is actually accessed at the junction with Westhorpe Farm Lane. The postcode at the end of that road is **SL7 3RQ** which is the best to use for SatNav as it takes you past the entrance to the complex.

Travelling on the M40, take the A404 Junction at Handy Cross and head south towards Marlow. After a couple of miles take the slip road signposted A4155 and turn left at the roundabout. The track is the second right turn after about 200 yards - get into the right hand turn lane as soon as you pass the garden centre on your left. If you get to the Kings Head Pub you have overshot.

From the M4 exit at junction 8 and take the A404 heading towards Marlow. Continue past the Bisham roundabout, over the river Thames and exit at the junction with the A4155 to Marlow and Bourne End. Turn right towards Bourne End and on exiting the roundabout the track is the second right turn after about 200 yards - get into the right hand turn lane as soon as you pass the garden centre on your left. If you get to the Kings Head Pub you have overshot.

Other information

There will be a barbecue and other refreshments available.

Please note that the site is **strictly non-smoking** and dogs are not allowed other than in the car park.
